Case No. AP-89-32

By motion filed March 19, 1990, Videovue International, Ltd., trading as Videovue Tours (Videovue) seeks to extend the period for compliance with Order No. 3442, served December 20, 1989, for an additional 30 days. In support of its request Videovue states that it is in the process of retitling its vehicles and has been advised that this process can be completed no earlier than April 6, 1990, seventeen days after the current deadline for compliance. Leases required by Order No. 3442 cannot be executed until titles are in hand.

Upon consideration of Videovue's motion for extension of time, it is found that good cause has been shown.

THEREFORE, IT IS ORDERED that the time for compliance with the requirements of Order No. 3442, served December 20, 1989, is hereby extended through Thursday, April 19, 1990.
